WHITE PASS SKI AREA BOUNDARY POLICY

White Pass Ski Area is a public resource. All users must follow the same rules and regulations. The following are the rules and regulations for the ski area. These rules are in effect from the beginning of the ski season to the end of the ski season. These rules are in effect for all users of the ski area. These rules are in effect for all users of the ski area. These rules are in effect for all users of the ski area.

RESPONSIBILITY CODE

1. Always stay in control, and be able to stop or avoid other people or objects.
2. People ahead of you have the right of way. It is your responsibility to avoid them.
3. You must not stop where you obstruct a trail or are not visible from above.
4. Whenever starting downhill or merging into a trail, look up hill and yield to others.
5. Always use devices that help prevent runaway equipment.
6. Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
7. Prior to using any lift, you must always have the knowledge and ability to load, ride and unload safely.

* In the event of an accident, all parties must remain at the scene until their contact information has been recorded by mountain staff as mandated by Washington State Law: 79A-45.050 - Leaving the scene of an accident.

White Pass

The slopes beyond the designated boundary of Crystal Mountain are wilderness area. Dangerous conditions exist including steep cliffs which may not be visible from above. Rescue, if possible, may be slow and costly to you. There is no avalanche control. Once you leave the ski area you are responsible for your own safety. Visit the website for detailed safety, boundary and policy info.

SPEED CONTROL ZONES Keep an eye out for Mountain Safety Team in their bright yellow jackets monitoring speed control zones. For your safety, these zones are in teaching and congested areas. Passes may be revoked for fast skiing or riding in these zones. Avoid skiing through groups, classes and race courses.
